MEMORANDUM

TO: THE BOSTON REDEVELOPMENT AUTHORITY

FROM: ROBERT T. KENNEY, DIRECTOR

SUBJECT: WATERFRONT PROJECT, MASS. R-77
PARCEL C-2-2
FINAL DESIGNATION OR REDEVELOPER AND
APPROVAL OF WORKING DRAWINGS AND SPECIFICATIONS
DOLORES AND JOSEPH SABLONE - 109-111 FULTON STREET

2209

Disposition Parcel C-2- 2 in the Waterfront Urban Renewal Project consists of approximately 1,000 square feet and has one building located thereon. It is one of the twelve buildings along Fulton Street previously designated for individual development by owner-occupant. The proposal, as submitted by Dolores & Joseph Sablone calls for the rehabilitation of the building into four dwelling units to be financed under the Federal 312 Program, or some other alternative means.

Since obtaining tentative designation from the Board on December 16, 1971, the developer has employed the services of an architect who has prepared the working drawings and specifications being submitted for approval. These drawings and specifications have been reviewed by the Urban Design Department and have been found to be acceptable.

It is anticipated that once final working drawings are bid for construction, the work on this building can commence within ninety days subject to financing arrangements being finalized.

It is, therefore recommended that Dolores & Joseph Sablone be finally designated as redeveloper of Parcel C-2-2 in the Waterfront Urban Renewal area and that working drawings and specifications be approved.

An appropriate resolution is attached.
